

Registration Advising Form

Department of Educational Psychology

UT places Advising Bars on all students' registration each semester. To have this bar removed, a signed Advising Form must be submitted to EDP.

Step 1: Fill out a draft Advising Form and send to your Area Chair / Program Director to review and sign.

Step 2: Your Area Chair / Program Director will sign and submit the form to EDP.

Step 3: Kim will email you to confirm your advising bar has been removed.

*You must submit **separate Advising Forms for each semester** - do not combine semesters on one form.*
